

Breakthrough Ministries, Inc. Mission Impact Trip to:

Dorothy Day Center (DDC) Catholic Charities

Dorothy Day is an emergency drop in shelter that sleeps 250 per night and is located just north of the Excel Energy Center in downtown St. Paul.

Address:

183 Old 6th Street West, Saint Paul, MN 55102.

General Location:

35E and Kellogg Blvd. Go East on Kellogg Blvd to 7th St West (2nd stop light) and go left (North). You will now see the Excel Energy Center on your right. Take your 3rd left (the left after W 6th Street and you will see Dorothy Day on your left). Immediately after you turn left you will see on your left a circular driveway. That is where you are going but you must take the 2nd left (it's a one-way). Park wherever you find a space.

Important Location information:

The facility occupies the South and East side of the block and includes a circular parking area. In the middle of the parking area is a "tear drop" shaped grassy area. Parking is available in this circle and though there are meters, it is free after 4pm weekdays and all day Saturday and Sunday. If we have large numbers of vehicles we will double park. We have never had any issues with this practice as parking space is limited however; parking in this manner is at your own risk.

If you get lost or have questions please call David Engman at 952-250-8752.
